Albany Creek Cricket Club – History

Our Beginnings

Back in the late 1970's **Ken Lister** wanted his son Greg to play cricket. The closest club was Pine Rivers Cricket Club at Dakabin and it was difficult to get his son to practice. He decided to recruit local boys and make up teams from Albany Creek. At the time there were 3 teams at Pine Rivers made up entirely of Albany Creek boys. **Ken Lister, Geoff Sweet** and **Bruce Patching** started the new Albany Creek Junior Cricket Club and signed up 4 teams and joined the Redcliffe & Districts Junior Cricket Association (Zone 6).

Although training was in Albany Creek, they still had to travel far and wide to play their matches, as there was no quality home ground. Clubs in the District were located at Redcliffe, Deception Bay, Margate, Bribie Island, Caboolture, Burpengary and Kilcoy. Each player was charged a match fee. This enabled Albany Creek to provide gear for the players and it wasn't long before we had a reputation as the Club with the best equipment for its players - no clubhouse or headquarters, but each team had a well-stocked kit. This 'policy' has been continued until the present. Luckily, we now have a number of good pitches as well as our own clubhouse - the '*Hawks Nest*' at Brendale.

Peter Daff was one of our first selectors at Zone level and for 3-4 years helped in the selection and development of Under 12 players trailing for the Zone 6 Teams. Up until Brisbane North combined Zones 1 & 2, there were two Brisbane competitions played over a number of Sundays - Presidents Cup (Zone A teams) & Presidents Plate (Zone B teams). Players were then selected from Zones 1 (Sandgate/Toombul), 2 (Valleys/Norths) and 6 (Redcliffe Districts) to form the Brisbane North Championship & Development teams.

And Now

So that was how we started. Let's take a quick look at where we have now, some 20 years later.

We've gone from this!

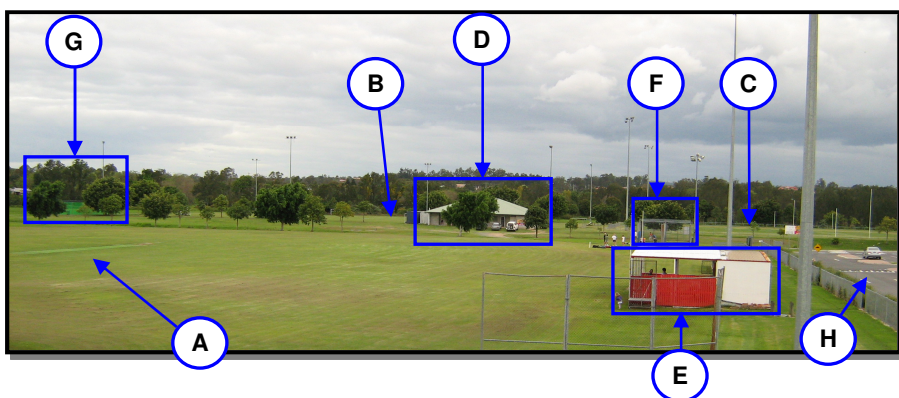

The Oval

The Hill

To this!

At the SPSA complex, we have the use of two synthetic pitches for senior cricket, South Pine 1 and South Pine 2 (the hockey field) and four pitches on the AFL oval for the U8s and U9s (A, B and C respectively). We also utilise Sargent Reserve at Eatons Hill and the extremely picturesque ground at Wantima as two of our regular grounds, along with many of the local school grounds.

We not only have our main clubhouse (**D**) but we now have a second 'Hawks Nest' on South Pine 1 (**E**). In 2008/2009, the club purchased the old club house from the Dog Club and the warehouse boys took on the project of renovating and restoring it to what you see today. They have done a great job. The second 'Hawks Nest' is discussed in more detail in the Warehouse section of this document.

We have two sets of training nets (**F** and **G**) and have just been awarded a \$34,000.00 grant to upgrade the lighting on the second set of nets (**G**) on the hockey field). Well done to Gary Logan who put an enormous amount of effort into our grant application and persisted through some very dodgy red tape to achieve this fantastic outcome! The hockey field nets were recently upgraded with new netting and synthetic turf. Both sets of nets are in constant use during the week for training.

The car park area at the front of the grounds (**H**) has been finished and this makes a big improvement on the dust bowl that hoons used to do donuts on in the middle of the night. The final section is still to come. Perhaps we'll be able to talk about it for our 30 year celebrations, along with the acquisition of more grounds for our ever increasing numbers.

Several shade shelters have been erected beside Southpine 1 and in between Southpine 2 and the AFL oval. Also, the club has invested in a number of large shade shelters that are also made available to the teams on a Saturday morning and for special events like our Cap Days and Trophy Days.

So what makes Albany Creek such a strong and successful club? One reason is our dedicated and hard-working committee, who all work tirelessly behind the scenes to ensure that all the teams have a great season and that the club runs smoothly.

Anyone who has come along to our Cap Days or Trophy Presentation Days would no doubt be aware of how well managed the events are. They usually go off without too many hitches or delays – like clockwork really – especially now that we’ve got the microphone system fixed (thanks Paul). It may appear effortless – but a lot of hours have gone into the preparation and planning for these events – and on the day we always have a large contingent of volunteers rolling up their sleeves to get the work done. A BIG thanks to all committee members, past and present, for making the club the well-oiled machine it is today!

As a community club, we are all ‘the club’ and we encourage our parents to get involved, either by coaching or managing a team; or by being there on Saturday morning to help with the smooth running of the game. The strong parent support we enjoy here is the envy of many other cricket clubs out there.

Albany Creek is proud to host the U-12 Development Carnival (Ian Healy Cup) for BNJCA in January of each year.

And we are looking forward to another successful carnival in the week 10th January – 14th January 2011.

The Hawks Take on the World!

China

The Hawks are becoming famous overseas too!

Above we have the Mills' boys proudly raising the Hawk's Flag on the Great Wall of China while on holiday earlier this year.

India

And below we have a Hawk's Cap being modelled by a policeman in Bangalore, India.

The Mills' family had a hard time getting it back off the officer while they were in India on holidays in 2008.

Hawk shirts have even been rumoured to have been seen on people in America but this is yet to be confirmed.

The question we're all asking is - Where next?

Annual Reports & Newsletters – 88/89 to 99/00 (Excerpts)

Interested Spectators

The above part of our history was compiled by Lorix J. Bertling for the 10 Year Anniversary of incorporation (24th October 2000) by contacting and interviewing many past members. To celebrate our first 10 years, a dinner was held at the Wantima Golf Club and attended by around 100 past and present members. We are always interested about hearing the history of our club. If you can supply additional information, or have reason to dispute any of the information listed, please contact us on <mailto:acc@albanycreekcricketclub.com>.

The Huddle

2007/2008

- 319 registered players and 41 of them were half season.
- We fielded 27 teams this season and 3 of them were half-season.
- We had 8 Albany Creek players representing Brisbane North in Championship and Development carnivals.
- This season we had 2 players selected at a state level. Both Nicholas Sale and Matthew Renshaw played in the U13 Qld State Primary School Championships.
- Life Memberships were awarded to Garry (Warehouse) Walker and Michael Skinner in June 2008.
- We made an offer to buy the old club house from the dog groups PADS and got it moved across the road to Field 1. The Warehouse boys took on the task of turning the Dog House into a home-away-from-home and through a lot of hard work have succeeded. It's a great addition to our sporting complex.
- 1 Premiership team this season - the U13 Eagle Hawks won the half-season competition for their division
Coach: Randy Kay
Manager: David Keir
- Growth continues on the Warehouse side of cricket. Four teams this season in the summer competition, B1N, B3N, C2N and C2N-Sunday (our first Sunday team). Eight teams in the 2008 Winter competition: A3N, B1N, B3N, B4N, C2N, C3N, U14 and U15.
- The Sunday (C2N) team captained by Brett Hutton & Wayne Hermann took out the premiership in the Summer Warehouse competition and the A3N team captained by Michael Lloyd took out the premiership in the 2008 Winter Warehouse competition.

In 2008/2009, the club purchased the old club house from the Dog Club and the warehouse boys took on the tasks of transforming it quite literally from a 'Dog House' to the resort style building you see today.

At the end of the day, players return from fields near and far, to discuss their day and have a laugh.

2008/2009 also saw the introduction of the great '*Pie Award*' courtesy of Keith Boehm of Diggers Pies (who is also a regular in player in one of our teams). Players get points for runs, catches, wickets etc and the person with the highest score for the round wins a family pie from Diggers. So if you hear anyone saying they're a good chance of getting the pie – now you'll know what they mean!

Since entering of first team in the Warehouse Competition in 1999, we have grown from one winter team and one summer team, to the biggest club in the winter competition, with 9 senior teams and an impressive 6 junior teams.

We've quite a lot of our juniors going on to play grade cricket these days but we've also got a lot continuing on in our summer warehouse teams. In the 2009/2010 summer season, we fielded 4 senior teams spread across all the divisions. So for those boys who are passionate about the game but don't want to play grade, cricket doesn't need to finish at 15 years of age anymore.

Garry Walker works tirelessly for our Warehouse teams. He and his two dogs have become an Albany Creek icon and are seen touring all the grounds on Saturday and Sunday afternoons. Without him, our Warehouse division would not be what it is today. In fact, in June of 2008, Garry was awarded a well deserved Life Membership with the club.

Warehouse has grown so much, there is now a sub-committee to micro-manage the running of the teams. Mike Whitney has taken on the role of Junior Warehouse Co-Ordinator and he also does a fabulous job.

The Appeal

Warehouse Cricket

This following appeared in the history compiled by Lorix J. Bertling for the 10 Year Anniversary of incorporation (24th October 2000) celebrated at the Wantima Gold Club and attended by around 100 past and present members.

Where do our older players go to continue playing cricket once their junior days are over? Only a very few have gone on to play Grade Cricket and it has always been tough getting into the Grade Clubs. Some of our players have joined Warehouse Clubs but this usually involved joining a team outside our district.

Graeme Swinbourne was instrumental in getting the 1st Warehouse team together in the winter of 1999. The side composed a number of our Under 16 players leaving the Junior Club and some more senior players (although not necessarily in ability). The side was entered in the C2 North grade. Again in 2000 Graeme got a team together and it is hoped that Albany Creek will have Winter & Summer Warehouse teams in the future with our Under 16 players continuing their cricket careers with Albany Creek.

The spirit of the Warehouse side has been great with father and son combinations, coaches, managers, senior and junior players all enjoying competitive cricket in the winter sun. Even those not playing have enjoyed following the team and we are one of the few teams with scorers - Gary Walker, Warren Wood & Grenville Hughes to name a few.

After most games the '*team esky*' is opened and over a cool drink the cricket stories emerge. Weather permitting a team BBQ is arranged after a home match and the end of year break-up is a presentation night for the whole family.

Most of the above still holds true. The '*team esky*' still makes a regular appearance but now the barbeques are generally after most of the games and they happen in the 5-Star comfort of '*The Hawks Nest*'.
