THE PRESIDENT'S BAT

Welcome to our first Hawk Talk edition for 2011/2012. I would like to send a special welcome to all those new families with the Hawks this season. This year we have 26 teams with five of those teams playing in the half season competition. They will finish up and go off to play for their schools after the Christmas break. This year we will be sending out the Hawk Talk electronically. This reduces costs and certainly takes a load off the time spent by our Editor, Eddie Mills. It also allows us more flexibility to highlight the various products of our very generous sponsors.

Thank you to all those people who have volunteered to be coaches or managers. This season we only had to find a few new coaches, mostly in the younger age groups, which says a great deal about our retention rate. The parents of this club appreciate the work that is being done by these wonderful people and have every confidence in the way their children are being cared for. Remember parents that this is your club and any help that you can offer makes life easier for coaches/managers/scorers and club officials. We are all volunteers. On training nights you can help out by being prompt when picking up children. Your team officials will not leave until all kids are collected so be considerate to them. On game days support your team and the opposition in a positive manner. Our children will model our behaviour. Winning humbly is as important as congratulating the opposition when they are successful. Scoring and umpiring can sometimes be very stressful so please help your team by being supportive of those who have put their hand up to do the tasks that provide games for your children. I would not like to see cricket as being a child minding service on Saturday mornings.

This season we have introduced NIGHT CRICKET for the first time. It has proved a wonderful success. Parents and players are all enjoying the much cooler environment. It is fast becoming a very sociable evening. Thank you to all those members of the committee, their spouses and children who have helped out in the canteen. Our new lights on the far field are up and running and we already have several teams using this facility. Over the next few weeks we shall be replacing the synthetic grass in the nets closest to the car park.

Our senior season is already underway as well with five teams playing on Saturday or Sunday. Thank you to the members of the Warehouse committee for all the hard work getting the season going. Wet weather has curtailed some of the matches thus far.

I recommend that you support all the generous sponsors who make a significant contribution to our club and allow us to provide the excellent facilities and equipment to enable the players to achieve their playing potential.

Steve Casey

A Message from the Editor

Welcome to all the new and 'old' players and their families. A special welcome to all our cricketers in the U8's and U9's Teams and I hope that you have a fantastic time playing under the lights every Friday night.

Dear Coaches and Managers, I have a small request that you submit your game news to me at your earliest convenience once the game has finished. Please keep your reports brief so they will fit into the newsletter unedited.

This year's Hawk Talk will be distributed electronically every month throughout the season, should you require a hard copy for any team members please email me and I will provide them. In addition, the newsletter is also available from the club's website.

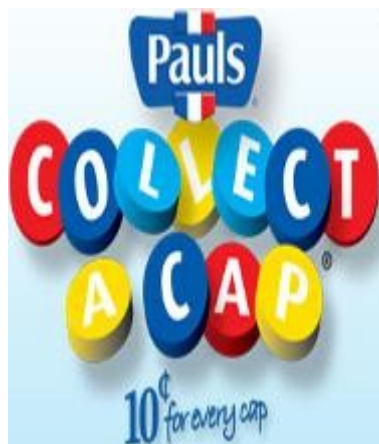

I am always happy to include photos from teams in the newsletter, so feel free to email them to me @ acc.news@albanycreekcricketclub.com

A Message from the Canteen Convenor

**The Canteen will operate every Friday Night
during the Under 8's & Under 9's Games**

Freshly cooked burgers, pies and sausage rolls are for sale. The canteen sells energy drinks, soft drinks and water. Coffee and other hot beverages are available from the coffee van parked adjacent to the club house.

Please support our Fundraising Effort by collecting Paul's Milk specially marked bottle caps.

Caps can be left at the club canteen in the collection box.

The club receives 10 cents for every collected bottle cap.

PARKING

When parking at South Pine Sports Complex please be aware of any adults and children walking through the car park at any time and keep your car's speed to the absolute minimum.

Parking is not permitted inside the gate when attending games on the AFL Field and Field 2 for safety reasons. We appreciate your cooperation in this matter.

All parking should be outside the gate and on the bitumen carpark adjacent to Field 1.

LITTERING

Please ensure that all rubbish is placed in the bins provided around the cricket fields and removed by each team at the end of training and games.

We are very proud of our facilities and it is important that we keep the "Hawks Nest" clean and safe for everyone to enjoy.

Throughout the season, I prepare almost 400 certificates, so in the rush of the moment, I'm bound to get some details wrong. Please let me know if there is a problem with a certificate and I'll re-issue it with the correct details. I know how important it is to have the correct name for the player and the team they play in and it's a simple thing to fix.

Important Notice to Parents: Team Placement Policy

We do not grade players at Albany Creek. It is the policy of club to **try** to place players according to the individual requests of the player. If no special requests are made, the player will be placed in the appropriate age group.

To make it easier for existing players to register for the next season, we mail out registration forms in mid-to-late July each year. The forms are pre-filled with player details and there is always a Special Requests line on the form so that parents or players can make requests for where they would like their son or daughter placed in the coming season, for example:

- 'same team as last season'
- 'with Matthew Hayden'
- 'with players from All Saints school'.

The mail package also includes details of when the sign-on is taking place etc. You don't have to physically come down to the club to register - you can mail the forms to the club's postal address (PO Box 82, Albany Creek) with payment.

Towards the end of each season, we publish the dates for the sign-on for the next season in our Hawk Talk newsletter. We also put a reminder in there to ask parents to advise us if they have or will be moving in the off-season so that we can alter our database, thus ensuring the mail out will go to the correct address.

As we grow bigger each year, the administrative task of organising the teams becomes more difficult. At the beginning of each season, our Registrar invests a huge amount of time reviewing all the requests and allocating players to teams. This starts on sign-on weekend and continues over the next several weeks, with new registrations and late registrations coming in right up until (and sometimes after) the first game of the season.

The process of sorting the teams is long and involved and once started, it is very difficult to move players out of one team into another. We also have to work around deadlines for nominating teams to Brisbane North.

We now have over 350 players to try to keep happy, therefore if registrations are not received on the sign-on weekend, or the Registrar is not advised by the parent of their intent to return and their requested playing arrangements, special requests will **only** be met if it there is room in the nominated team.

From: The Albany Creek Cricket Club Committee

GENERAL ADMINISTRATION

Any Cricket problems? All Committee phone numbers are on page one of the newsletter.

You have all had time to settle in and see how your team is going. Are there any problems? Please don't think now the season has got underway that you are on your own. Phone or see any one of the Committee or if a parent, please approach your coach and we will try and fix what we can.

Helmet policy

It is **Club policy** that each batsman **MUST** wear a Safety Helmet when batting. Should a parent not wish for a player to wear a helmet, then a signed written advice must be forwarded to that player's coach that absolves the Club from any possible damages claim from injuries received whilst playing or training, caused by not wearing a helmet. The form, to be completed by each parent, is available from your Coach and/or Manager. If you choose to sign an indemnity, you need to ensure that you are present at the game when your child is batting.

Also, a new rule has been introduced by **Brisbane North** that states that a wicket keeper **MUST** wear a helmet if they are keeping up to the stumps regardless of the style of bowling. Signing the above indemnity does not override this rule.

Safety – Hot & Wet

It looks like this summer may be Hot, so please ensure you have the players' interests at heart when you are deciding whether they should leave the field for a spell or not. Remember that the player safety is paramount. Make certain the players use sunscreen and wear a wide brimmed hat and take regular drink breaks. If it is too slippery or dangerous to play, please come off the oval and wait for a while, or if necessary, abandon the game. Don't put the players at risk.

Batting Gloves and Protectors

Zone rules 2.2 (d), (e), (f), (g) & (h) require that each player must wear protection when batting – helmets, pads and gloves are available in each kit but players must have their own personal protector.

Coach Responsibilities

The Coach runs the team. He or she is responsible for preparation of the players and control during the matches. Batting and bowling orders are the coaches' responsibility. It is recommended that from Under 13, a captain is appointed to run the team, particularly when fielding. The Club expects ALL coaches to have the Level O certificate or the BNJCA basic level. It is the coach's responsibility to get an indemnity signed by the parent/guardian when a player chooses not to wear a helmet.

Manager Responsibilities

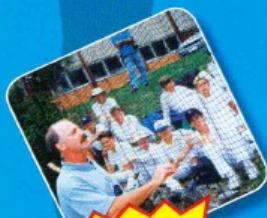

The Manager assists the coach with team administration. He or she should ensure that rostered parents are available for Canteen duty and to act as Umpires, Scorers, assisting players getting ready etc. Managers are responsible for publication and the recording of team results, ensuring abstracts are submitted to the relevant statistician and to ensure the Player of the Match nomination form (U11 upwards) is sent to Brisbane North Junior Cricket Association at PO Box 178 Zillmere 4034

HOW ARE THE WINNERS OF TEAM TROPHIES DETERMINED??

We like to remind everyone at the start of the season about how the trophy winners are determined for the team awards. So here's the drum:

At the end of the season, there are three trophies awarded for each team:

1. Batting Award
2. Bowling Award
3. Coaches Award

In the past there has been some confusion as to how the winners of these trophies are determined. Set out below are the basic guidelines used to determine the winners:

1. The Batting Award is always decided first.

The best average is used to determine the winner in senior grades [U11 – U16] while the junior grades [U8 – U10] are determined by the best aggregate total {unless there is a draw, in which case averages will be used to determine the winner}. For senior grades, this player **MUST** have played in 50% or more of the team matches and be in the top 50% of run scorers.

2. The Bowling Award is decided next. [The winner of the Batting Award is not eligible for this award.]

Again, the best average is used to determine the winner in senior grades [U11 – U17] while the junior grades [U8 – U10] are determined by the best aggregate total {unless there is a draw, in which case averages will be used to determine the winner}. For senior grades, this player **MUST** have played in 50% or more of the team matches and be in the top 50% of wicket takers.

3. The last award decided is the Coaches Award. [The winner of the Batting or Bowling Award are not eligible for this award.]

This award is decided by the Coach (and may be given for any reason what so ever).

INDIVIDUAL TROPHIES!!

There are also lots of other trophies award for certain milestones and events. For example:

- ◆ Hat Tricks
- ◆ 5 or more Wickets in an Innings (U11-U16)
- ◆ 4 x 50 runs in an innings (U11-U16)
- ◆ Centuries
- ◆ 50 Wickets in junior (U8-U10) or senior (U11-U16) age group
- ◆ 1,000 Runs in junior (U8-U10) or senior (U11-U16) age group
- ◆ Cricketer of the Year (U11-U16)
- ◆ Half-Season Cricketer of the Year (U11-U16)

Significant milestones and events are also tracked in our Honour Board. This is a wonderful living file that records an archive of our clubs history, including the top 10 junior and senior batsmen and bowlers for the season.

If you haven't seen it and are interested in receiving a copy of the file, please send an email to the club statistician on acc.stats@albanycreekcricketclub.com.

GAME REPORT: Another good game for the boys. After a draw last week they had another close game on their hands to lose by just one run. Some excellent running saw our boys make quite a few runs from overthrows and a total of nine run outs kept Ferry White within reach with five to Cameron, three to Ryan and Alex getting the other. Fielding: 1 Catch to Will Mann – Run-Outs to Cooper Langley and Jye Eades		
GAME REPORT: A fantastic improvement right across the park this week with the boys really playing well as a team. Cooper and Jye lead the way with personal best scores while the bowling was tight and much more accurate. The running between wickets and fielding was great to watch, wonderful to see the boys talking in the field and supporting each other!

GAME REPORT: Good game boys, everyone did really well this week. Your bowling has improved a lot since last season so keep up the hard work.

Bowling:	Jesse Kindley	1/21
	Taylen Houslip	0/14

Fielding: Another good effort in the field against a quality batting side. Some work at training on backing up and knowing when to throw hard or not will go a long way to reducing the runs of the opposition. We had three excellent wicketkeepers in Taylen, Jesse and finishing off the match was Bradley, all saving plenty of runs.		
GAME REPORT: Overall a big improvement from all the players, in particular the bowling, with some of our lesser experienced bowlers beginning to find the pitch on a regular basis. Big improvers were Sebastian and Luke. Bradley and Jesse were mentioned for their bowling actions. Some excellent running between wickets saw an increase in the runs and a reduction in the run-outs. Taylen again topped the batting order, but contributions were made by all players in particular Mitchell Townsend with a handy 15 runs against some fast and accurate bowling. Fielding: Two great catches by Asher and some really good backing-up by all the boys helped restrict opposition run rate.			
GAME REPORT: An excellent first up win against good opposition. Plenty of fours for everyone, plus a few sixes to Lachlan (2) & Stephan (1), got us off to a great start. Tight bowling & a good fielding effort kept the pressure on, making it hard for Eagle Hawks to chase. Special mention to Samuel Gould who narrowly missed his hat-trick & Samuel Smith for Wicket keeping in his first game. A really good standard of cricket & great result for our first game of the season.

GAME REPORT: The first game of the season was washed out on the opening day. 2 nd day was a 26 over one dayer. With a wet field the boys found it hard to score but managed 80. Tight bowling and committed fielding restricted the Valley's team to 75. A thrilling win with Valley's needing 8 off the last over but only managing 3.

Albany Creek Vs		BYE GAME	
Wilston North Red			
GAME REPORT: The under 13 Falcon Hawks received maximum points with a forfeit in the first week against Wilson Red. With better weather for the second week it was agreed that we would play a friendly against Wilston. This allowed the boys to dust off the cobwebs and play their way into some form, with Tyler Graham nearly pulling off a classic catch. It is interesting to see just how quickly the boys have grown up in the last 12 months and their skills have much improved. After some rotation of trial captains, newcomer Billy was given the nod as our incumbent for the season - congratulations ! - Billy brings with him plenty of skill and experience not to mention a genuine love of cricket. Back onto the training track in readiness for our next game.....

	Josh Walduck	1/8	
Fielding: A great one-handed catch by Ethan Swan, one behind by Casey, another by Justin and a run-out by Connor from a throw by Casey were the highlights.			
GAME REPORT: A great performance from the boys considering we had no prior training sessions due to rain. Some good bowling in general in the first session and by Ethan Carmody and James Withers in particular, kept the opposition to a gettable total. Then, some good early hitting from Ethan Swan (19 of 14) and Tom McCabe(15*) and some late hitting by Connor and Casey (11*) put us in a good position but we couldn't quite make it in the end. Nevertheless, a great effort for the first game of the season. Special mention to the Valley Player, who walked after being given not out – that's the spirit of cricket.

GAME REPORT: Became a one day game due to the weather. A good win first up with only one training session prior to the game. All players showed enthusiasm however much improvement is required in the field. Solid batting performance by Lachlan Tenerry in his non preferred batting position (opener) gave the team a great start.

Fielding: A bit rusty on the field with misfields leading to boundaries. A great run-out to Daniel Brown			
GAME REPORT: Our first match against the other Albany Creek team had been reduced to a one-day game due to rain. Our boys went in to bat first, Jay and Jackson got off to a good start before Jackson (3) was caught and Jay miss-judging a run which resulted in a run-out. Captain Will made a solid (33) before Daniel Brown (7*) and Rio (10*) finished strong. Daniel Furby and Locky bowled a great line both picking up wickets opening the bowling, but didn't have the field to back them up. After too many misfields and 15 wides, the Eagle Hawks passed our score with just a couple of overs left. A close and very well played game by both teams in the end.

Fielding: Ben Dorling run out and a stumping to Brenden. Thanks to Falcon Hawks providing a sub Callum Brooks, he took a great catch.			
GAME REPORT : Due to rain the match was reduced to a 20/20 match and this ensured the boys had a hit and a bowl. Albany Creek cricket was the winner as it was an evenly fought match and came down to a tied game with 6 balls to go and a bye to finish it off. The Hawks came together and fielded well for the first time they have played together and they batted and ran between wickets well. The Hawks need to get some chatter going and I am sure that will happen as the season progresses and they get to know each other better. I for one look forward to the rest of the season and a rematch of this game on the last Saturday of cricket next year.

GAME REPORT: The first game of the season and a local derby. The first Saturday was washed out and the rain almost intervened again but we were able to get on the field for a delayed start the next week – so the game became a 20/20. The Falcon's batted first posting a good score in the wet conditions but it was not quite enough with the other Hawks chasing down the score in the last over of the day. Well played to both Hawks teams!

Fielding: Justin 2 outfield catches, Phillip 1			
GAME REPORT : A good match to dust off the winter cobwebs. Toombul won the toss and batted first. After 19 overs we had them 2/91, but then batsmen went for their shots to post a good total. Fielding was generally good, but 3 hard chances were put down. Luke and Justin opened and after a few early moments proceeded to compile a 100 partnership in 16 overs before retired. They punished the bad ball, but importantly took plenty of singles. A few overs later, Phil hit every ball to boundary to pass their score with 6 overs to spare. With the threatening thunderstorm the match finished early.

Fielding: Catches: Terry Iseppi (1), Ben Doyle (1)			
GAME REPORT: Like most, perhaps all, our game was reduced to a one-day because of bad weather on the first Saturday. We batted first and made a steady start. We seemed to lose batsman just as they were set or just as the momentum was starting to build. We need to look for more singles and turn ones into two by running the first one hard. That may have allowed us to put on an extra 10 or 20 which would have made the chase harder and perhaps too hard. Our bowling was tidy but too many overs included a loose delivery which seemed to get dispatched just as the pressure mounted with a series of dot balls. Highlights in the field include two well-judged outfield catches and some sharp ground fielding. Remember to be ready for those moments in the game that can turn it. Walk in with every delivery and want the ball to come your way so you can be the one to make the difference. Close, but just shaded by a side that did the little things a little bit better on the day.

	Noah Traves	0/4
Fielding: The boys allowed a few balls to get past them for four this week; however, they made up for this with some excellent overall fielding and achieved 6 run outs. Four of these went to Cameron Spong and one to Noah Traves, but I must make mention of the perfect throw by Lachlan Britcliffe from side on to the stumps for the other run out. Cameron and Lachlan also each bowled the batsman out. Once again David Ratcliff was key to saving on byes with an outstanding effort as wicket keeper.		
GAME REPORT: Runs were hard to get this week, with a greater than usual number of unplayable balls. To the boys credit, they still capitalised where they could and played some good strokes. Top scores this week from Noah Traves and Alex Ferguson. It's also good to see them starting to sneak a few runs on the overthrows. Man of the Match: Lachlan Britcliffe

Fielding: All the boys displayed a much improved effort in the field this week, pouncing on any balls that came their way. Andrew and Luke did a great job as wicket keepers this week. Bowling was also much improved with all the boys concentrating hard on their action and where they wanted to bowl the ball. Andrew, Josh and Will all bowled well to take wickets this week with Lachlan and Luke unlucky not to get wickets on several occasions with their economical bowling.		
GAME REPORT: The boys did well to improve on their score from last week. Special mention to Luke and Andrew who both got plenty of runs this week with some great shots. Big congratulations to all the boys for showing a big improvement in running between the wickets this week. Lachlan was nice and loud when calling out to run between the wickets. Josh and Will showed good improvement in their batting from the last game.

Taylen and Bradley were asked to bowl a third over each against a batting side that liked their straight line. Sebastian and Jesse also doing well only giving away 8 runs each for their two overs.			
GAME REPORT: Without a doubt we came up against our best opponents to date this season but I'm sure our boys gained a lot of experience playing the Grey Hawkes. Fielding: A great run out by Josh, a direct hit gave us a wicket we needed. And a quick thinking Harrison gave him a caught and bowled. Plenty of hitting into the outfield gave our boys a lot of fielding practice. A good effort.			
GAME REPORT: Welcome back to Nick, Harrison, Josh, Jackson, David, Thomas, Jarod, Daniel and a warm welcome to Michael, Eli, Joshua, Charlie and Nathan. Our first game due to wet weather was a tough game playing a very good batting team. We didn't score enough runs this game but the boys enjoyed playing their first game of the season. GAME REPORT: After rain washed out the first game of the season, the team welcomed new players Ronin, Ethan and Ryan, with Joel returning to the team after a couple of years off. A scratchy performance in the field saw Valleys 1/217 after their first bat, with Ronin showing the 'old' boys how to do it taking the only wicket. The team took up the challenge; Ryan, Angus, Jayden (22no) and Max (17no) all unbeaten set the team on track allowing Luke, Ethan (17), and the rest of the team to set a target. Two early wickets to Ryan got the team on a roll, Joel on a hat-trick, and some good fielding had the Falcon Hawks in control. An absolute pearler of a yorker by Jayden finished the game for a fine first up win.

GAME REPORT: Another great win against good opposition. Slow start with the bat and a few dropped catches hurt us on day 1, but terrific fielding and a good chase turned it around on day 2. Solid batting from all the boys, with those returning after retiring early making hard for Ferry Grove to bowl us out. Wickets taken by Sean, Robert, Lachlan, Lincoln, Daniel and Josiah who narrowly missed a hat trick. Super effort from Aiden behind the stumps. Again a really good standard of cricket & fantastic result for our first two day game.

GAME REPORT: Finally some cricket. A great effort by all the boys in this match. The first up effort by all the team especially in the field was fantastic, Reilly and Matthew C led the wicket takers with good support from Nathan and Riley however it was the effort in the field that was terrific. Mitchell with three catches is deserving of a special mention. The boys all started a little bit rusty with the bat as it was their first hit but they all protected their wicket and ensured some good time in the middle. Well done to Isaac, Riley and Matthew D in the batting however all the boys got their eye in and will enjoy their next innings even more. Well done to all on a terrific effort.

Albany Creek Vs		BYE GAME	
Valley U14			
GAME REPORT: A Bye Game - however, it presented another great opportunity for the team to practice in match conditions. We won the toss and elected to bat. It is often said about players having a "breakout game" - on this afternoon the Falcon Hawks had such a player. George Hennessey was asked to open the batting, George normally bats down the order. However, today was not any ordinary day (not for George anyway!) - from the outset you could see that George was going to defend his wicket and make the opposition absolutely work for any sort of chance. The innings was very patient and George was extremely comfortable at keeping the good balls out. George shot of the day was his 4 through gully - which everyone applauded. Eventually George succumbed to the pressure after some 70 balls. Well played George a magnificent innings!! When it came to our turn to bowl the boys really stepped up and kept up a good length and were very accurate. We managed to take 3 wickets (all of which were bowled). Alex, Tyler and Billy all had very good spells. The Falcon Hawks resumed fielding. Crack Chaffey, as a guest player, was finally rewarded with a great wicket after a steadily removing the paint from the offside stump. The Valley team improved on their Day One score for fifteen odd overs and a declaration was made. Captain Billy dispatched the first ball of the innings over point for a wonderful four. His opening partner Hayden showed huge maturity and virtually carried his bat. Well done, Hayden. After Billy departed, stand-in player Dave played some classy shots. Tyler then stepped up to the mark displayed some improved form. Crack Chaffey set about punishing bad balls and kept the run rate ticking over. Wackers then strode to the crease and made solid contact with the ball on several occasions. Finally Tom Grohovaz finished off the innings with a thumping four through mid-off. Having won the first two matches, it is now time to really enjoy the rest of the season...

Fielding: Two catches from Ethan Swan, and one each from Ethan Carmody, Tom McCabe and Tom Lindenmayer. A wicket maiden for Harry and two maidens for Connor.			
GAME REPORT: A disappointing result, losing outright to Pine Rivers. Some early wickets on day 2 from Josh (2 wickets in his first over, including first ball of the day!), Tom McCabe and Harry (1/25). Two more wickets fell quickly after replacing the game ball, after it was hit into the drain bordering the Deagon oval and lost forever. Good hitting from Tom Lindenmayer (29) and Ethan Swan (42 off 22) in our second innings and it looked like we might hang on to avoid the outright loss. However, it was not to be, losing our ninth and last wicket with one over to go before stumps. Even so, the boys played well and we look forward to our next game.

Fielding: 2 catches to Sam, 1 off his own bowling, 1 catch each to Oosh, Logan and Ryan M. Run-outs to Ryan M, Jack and Conor.			
GAME REPORT: Our bowling and fielding in this game was sensational. In the third session, we took 5/34 to have them at 9/125, but we let them get away in the last session to make 173. Our batting was solid. The opposition had some very fast bowlers, and their bowling was stump to stump. As a result, we had a lot of batsmen who faced a lot of balls, without scoring a lot of runs. We need to work on being more aggressive, and putting away the bad ball when the opportunity comes along. Our opposition has not lost a game in 3 years, so the positive for us out of the game is that we were able to bowl them out, but they could not manage the same. We really frustrated their bowlers. Good start SeaHawks.

Fielding: Catches were the difference in this game, Jackson 2 catches, Locky and Kaleb one each as well as Daniel Furby taking a ripper of a catch to win the game.			
GAME REPORT: Winning the toss and batting first, our top order showed once again our strengths, with Jackson (34*) and Daniel Brown (26) making a 60 run partnership before Dan was eventually caught. Captain Will set the pace for the game smashing an unbeaten (58*) and Jay scoring a run-a-ball 17 while Sam (24) and Locky (8*) finished very strong. We declared late in the first day giving us 7 overs to bowl, Daniel Furby and Rio both bowling exceptionally well picking up wickets to finish in a great position at 3 for 5 at the end of the day. The second day started off a bit slow, Pine Rivers making early runs. Bugged down again from some solid batting, the game was in the balance with just 2 runs and 1 wicket in it. Rio took 2 wickets and almost a hat-trick to put us right back in the game and when Locky broke through near the end the boys were really fired up. The boys had to keep their cool and when a short ball was pumped through covers, Daniel Furby with a diving catch secured an amazing win! Well done lads.

Bowling:		4/22	1/9

<p>Fielding: : Our first game of the season saw us start with a few dropped catches which cost us dearly early in their innings, but once the catches started sticking we made quick work of their innings. Outstanding catches by Ryan, Alec and Mitch. Generally our ground fielding was aggressive and excellent.</p> <p>GAME REPORT: Our new Captain Mitch lost his first toss, but probably would have fielded anyway. The opposition showed some ability with the bat, and with a third wicket partnership of almost 100, we were looking at chasing a large total. However, once we broke this partnership, a combination of good bowling and excellent catching, saw them collapse to be all out for 158. Our best bowlers were Matt bowling beautiful left arm over the wicket, and Alec who had them tied in knots. Harry chipped in with 4 wickets, and bowled very aggressively. With an hour to bat before stumps on day 1, Jed and Mitch quickly set about the run chase and finished the day at 0 – 52. Picking up where they left off from day 1, Jed and Mitch continued on and both retired. James survived some early jitters and then settled into last season's form and belted a well-deserved and unbeaten 50. The story of the day was Luke's form with the bat. With some classic pull and hook shots, he quickly racked up 37 runs, and we will be looking to him to repeat the form throughout the season. A solid start to the season and a good 1st innings win against quite strong opposition. Well done all.</p>

<p>Fielding: 1 Catch to Harrison Chaffey</p> <p>GAME REPORT: Firstly a big congratulations to Nathan – 6/16 – welcome to the Hawks – only your second game for us and you have a 6 for haul! The Falcon Hawks let this one get away – some accurate bowling by the opposition saw most of our batsman get themselves out, after our openers got us off to a good start in our first innings chase. Pine Rivers enforced the follow on and apart from losing some early wickets we made sure that we didn't lose outright. I am sure we have learnt from this and we will see some great improvements over the rest of the season.</p>

<p>Fielding: Shane Vaas fielded well to take 2 catches, Mitchel took one catch and Andrew took a great c & b. The boys will agree that they got some great fielding practice during this 2 day match.</p> <p>GAME REPORT: It was an interesting bye and the Under 17's were a bit too strong for the Hawks. They all showed great patience and received a lot of game play practice which is the idea of the bye. Batting was difficult but the boys all got a go and match play which is important. All the boys bowled well and did not bowl as many sundries as the Under 17's which shows good discipline because they bowled a lot of overs. Need some catching practice but these skills will refine as the season continues.</p>

GAME REPORT: We were put into bat and lost 2 early wickets. Justin and Phillip then steadied with a quick 64 run stand. Justin and Sirtaaj then continued the good work until Justin retired and James continued it with the 3 of them adding 111 quickly when James was dismissed. The remaining batsmen kept the scoreboard ticking over to post a very good total on a slow outfield. All the boys bowled very well and after dismissing their 2 big hitters cheaply, the run rate was always well behind what they required. The depth of our bowling was highlighted by Jack being the 9 th bowler used and yet he topped the wicket taking. The only negative was a few hard chances and half chances not being taken.

GAME REPORT: Positive batting throughout allowed us to amass an imposing total. The standard was set early with batsmen looking for quick singles and not allowing the opposition to tie us down. As the runs flowed it gave confidence to those in the middle and lower order who accelerated the run rate even further. Week two started promising with a wicket in the first over. The opposition was down to eight players which made the chance of an outright win a real possibility. The opposition's first innings finished on 82 in 30 overs. The maths was done and we had 24 overs to take the seven wickets required. The opposition hung on gamely despite everyone's best efforts. Strong performances across the team over two days. Good effort.

Fielding: Although not reflected in the scores, the boys were much better in the field this game. Cameron showed his speed in the field to chase down a few that got by and two run outs each to Noah and Alex, as well as one to David helped in keeping Lakes score down.		
GAME REPORT: Runs were once again hard to get but the boys made the most of every opportunity. Alex hit some excellent balls and top scored with 22, which included five boundaries. Some great bowling by Lachlan and Noah with a bowled wicket each as well. Ryan was tested behind the stumps and showed sound wicket keeping skills.

GAME REPORT: The Grey Hawkes are a top team and it looked like we may have been in trouble as their bowlers were very accurate, rattling our stumps on a regular basis. However, a new bat and some power hitting from Dominic and Tom saw our score turn positive and give our bowlers something to defend. All the boys bowled well and this kept the opposition batters on the back foot and led to a confidence-building win.

<p>GAME REPORT: Jason & Lachie retired on 27, Darcy & Aiden great partnership of 93 runs for the 3rd wicket. C1 Hawks batted on until the last over. BBC opening batsman was given chances and took them making 94. Trailing on run rate BBC needed 11 off the last over to win, C1 looked in control until the very last ball which evaded 2 fielders to trickle over the line for 4.</p>

A 57 run partnership between Moore and Olsen for the 4 th wicket. Bowling & Fielding off to a good start for the season. Batting solid at 2/46 when the storm hit. Resuming day 2 on a faster outfield went on to be 4 for 116 until wickets started to fall steadily. Good work by the bowlers again, Raiders out for 142. GAME REPORT: A rusty start to the season for our bowlers saw the opposition pile on the runs, aided by a couple of dropped catches. Great bowling by Keith, but Sundries wasn't our mate today. Chasing the runs was always a tough task, although HP tried with 7 fours. HR was the only other batsman to reach double figures.

GAME REPORT: Everton won the toss & batted first. Our bowling showed improvement bowling them out in 28 overs, Darren keeping things tight early just 14 runs off 8 overs. The catching still needs work with the younger guys showing the older how to hold them. Dear Albany Creek Cricket Club,

On behalf of the McGrath Foundation, I would like to say thank you for hosting your Pink Stumps Day in 2011. Donations raised by your Pink Stumps Day event will allow us to continue Jane's legacy by helping to fund McGrath Breast Care Nurses in communities right across Australia. Your generosity will help ensure that every Australian woman diagnosed with breast cancer, and her family, have access to the support of a Breast Care Nurse, regardless of where they are as well as encouraging all young Australian women to be breast aware.

We have been incredibly touched by the phenomenal efforts of all clubs that participated in Pink Stumps Day this year, and are thrilled to have received such a positive response to the initiative. We were so proud to see all clubs and their communities get into the pink spirit and demonstrate their support for the McGrath Foundation.

We encourage you, if you have not already done so, to send through any media coverage or photography from your Pink Stumps Day via email (Cassandra@mcgrathfoundation.com.au), so we can post them up on our Facebook page, (www.facebook.com/mcgrathfoundation) and share your success with our online community.

Once again, we'd like to express our gratitude to everyone involved in your clubs' Pink Stumps Day as we know we couldn't do what we do without the amazing support of the Australian community.

We can't wait to do Pink Stumps Day again next year, so stay tuned to our website www.mcgrathfoundation.com.au for more information.

As we say at the McGrath Foundation, together, we can make a difference!

Yours in pink,
Cassandra Rhodes
